Personal Reflection

In this passage we are reminded of the close personal and familial relationship that is ours through Jesus Christ. We were chosen, adopted as children, and we will enjoy a future inheritance. What is our future inheritance?

What are the characteristics of those who have no hope?

Why is hope a vital part of our growing relationship with God?
What does hope do for a relationship?

Hope is a belief in something that is sure. How does the hope of our future redemption (and the redemption of the natural world) impact the way you live today?

In this passage, the role of the Holy Spirit is related to our weakness. What hope do you have in the work of the Spirit?
