

Personal Reflection

The Apostle Paul uses a metaphor of the body. Why is this important?

“Sober judgment” means that we are able to identify and use our gifts appropriately. There is no room for pride or false humility. How do we disadvantage the body of Christ through pride? Through false humility? Which are you more prone to?

We must be willing to use the gifts God gave us for the benefit of the body of Christ. This will require sacrifice on our part. What is your greatest hindrance in using your gifts? What is your greatest joy?

Thoughts/Questions/Prayer Response:

Memory Verse: Romans 12:4-5

Just as each of us has one body with many members, and these members do not all have the same function, so in Christ we who are many form one body, and each member belongs to all the others.
