### **Personal Reflection**

What leads to the judgment of others? Why is it wrong?

What are some of the "non-negotiables" that cause disunity and separate believers?

As we (through inconsequential disagreement) cause relational division, the world looks on. What does this do to God's reputation, and ours as his representatives?

It is God who gives us the strength and endurance to act in others-centered love. How has God enabled you to love someone with whom you disagree? How has this resulted in glory to God?

### **Memory Verse:** Romans 14:13

"Therefore let us stop passing judgment on one another. Instead, make up your mind not to put any stumbling block or obstacle in your brother's way."
