

HOW?

We'll start at the beginning of Paul's letter to the Romans and each section will examine a new part of the letter.

1. You start by **reading** the selected passage in your own Bible
2. **As you read** use the Study Questions for that passage
3. Following your personal study you may read **a short explanation** of the passage provided through a pdf link 
4. And you may also **listen and/or read a fuller explanation** by clicking on the associated links  or 

Along the way, through the book of Romans, we will consider the following questions and more:

- Don't all religions lead to God?
- Why do bad things happen to good people?
- What happens after I die? Are there a hell and a heaven?
- What do you need to believe to be a Christian?
- What is so good about the "good news" of Jesus?
- If belonging to God is all of grace, does it really matter what I do?
- Who is the Holy Spirit and why does he matter?

I'd like for you to join me in this study of the book of ROMANS.
